**Re: Duke Energy Carolinas, LLC's and Duke Energy Progress, LLC's Establishment of  
Solar Choice Metering Tariffs Pursuant to S.C. Code Ann. Section 58-40-20  
Docket Nos. 2020-264-E and 2020-265-E**

Dear Ms. Boyd:

On March 19, 2021 during the evidentiary hearing for the above-referenced dockets, Commissioner Powers requested a late-filed exhibit be filed by Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress, LLC ("DEP" and together with DEC, the "Companies") providing a comparison of the impact the Companies' proposed tariffs would have to an average residential solar customer's annual bill to the impact the South Carolina Office of Regulatory Staff's (the "ORS") proposed tariffs would have to an average residential solar customer's annual bill. Hearing Exhibit 14 was reserved for this late-filed exhibit. The Companies filed that exhibit on March 26, 2021.

After the exhibit was filed, the ORS requested that the Companies provide an additional data point for the Commission's consideration. As such, enclosed for filing please find the Companies' Revised Late-Filed Exhibit No. 14, which addresses the request of the ORS.

By copy of this letter, I am serving all parties of record via electronic mail.

Sincerely,

A handwritten signature in blue ink that reads 'Ashley Cooper'.

Ashley Cooper
